Instructions

- Call a day before to confirm your appointment at the Executive Clinic.
- Male patients should come with their chest shaved for ETT. Female patients must come one week after menses.
- Letter of authorization is mandatory for visits sponsored by companies. In all other cases, cash payment will be required in full.
- Please bring your Aga Khan University Hospital white plastic MR card with you.
- Kindly report at 9:00 am, as otherwise the blood report will not be ready by the time you go for the doctor's consultation.
- Only one attendant per patient is allowed.
- Specimen containers should be collected prior to the first visit, either from the Hospital or from any Laboratory Collection Units in Karachi.
- 12 hours fasting is required prior to the appointment.
- Hepatitis B antibody/ antigen results will be ready the next day. If positive, the patient will be informed.
- The medical report will be dispatched to your mailing address within two to three weeks from the date of your doctor's consultation.
- An advance of Rs. 4,000/- will be requested for confirming your appointment.
