

Family Medicine Executive Health Package

Well Woman Screening Check-Up For UNDER 50 Years

Package Price: PKR 27,160

A Healthy Woman Is A Happy Woman

Women under 50 years may also be prone to developing chronic diseases. Life can be hectic and stressful, and if not managed, may lead to acute health problems in later years. Taking preventive measures now, can help ensure a healthy body and help you maintain a good quality of life. Get yourself examined and protect your future. Be healthy, be happy.

The Aga Khan University Hospital offers a screening package that provides you with an accurate assessment of your health status.

The screening package includes the following:
