

آغا خان یونیورسٹی ہسپتال

The Aga Khan University Hospital

Different stages of kidney diseases and their ability to function

Kidney Health Check Package

Basic Screening Package: PKR 17,700

Extended Screening Package: PKR 27,300

Your kidneys are responsible for filtering your body fluids. If you have high blood pressure, diabetes, heart issues, have a family history of kidney problems or suffer from obesity, you are at an increased risk of developing Chronic Kidney Disease (CKD). Listen to your kidneys, manage the risk factors and know your kidneys' health status.

Basic Kidney Screening Package
