## Neonatal Hearing Health Screening Package

Package Price: PKR 8,800

Newborn screening tests identify conditions that can affect a child's long-term health or survival. Early detection, diagnosis, and interventions protect children from many treatable disorders. In Pakistan, 13 out of 1,000 children are born with congenital hearing loss. Early detection can enable early habilitation for any hearing impairment.

### Package Components:

- Consultation with a Neonatologist.
- Neonatal Hearing Screening Test.

### Terms and Conditions:

- Prices are inclusive of doctor's fee.
- All prices are in PKR on per person basis.
- All prices are subject to change without prior notice.
- No discount of any kind may be applied to packages prices.
- The service is available for 90 days from the date of purchase of the package.
- This package requires two visits, the first to run the tests and the second for doctor's consultation.
