Prostate Cancer Screening Package

Package Price: PKR 15,650

Prostate cancer is a relatively common disease in older men. Symptoms include difficulty in urination, weak flow of urine, trouble emptying the bladder, pain or burning sensation during urination and other urination issues. Early treatment can help check the spread of cancer and even cure it.

Package Components:

- Consultation with a Urologist
- Urine Flow Measurement Test
- Limited Prostate Ultrasound
- Laboratory
 - ▶ Prostate Specific Antigen
 - ▶ Urine DR

Terms and Conditions:

- Prices are inclusive of doctor's fee.
- All prices are in PKR on per person basis.
- All prices are subject to change without prior notice.
- No discount of any kind may be applied to packages prices.
- The service is available for 90 days from the date of purchase of the package.
- This package requires two visits, the first to run the tests and the second for doctor's consultation.
