(prices subject to change without prior notice)

Don't Take The Risk, Get Yourself Screened

Every year 40,000 women in Pakistan die because of Breast Cancer. The leading cause of death is "Late Detection".

The Aga Khan University Hospital offers you a breast screening package to assess for any risk.

The screening package includes the following:

- 1) Check-Up by a Consultant Family Physician
- 2) Mammogram Bilateral + Ultrasound Breast Additional to Bilateral Mammography.
