Package Price: PKR 31,200
(prices subject to change without prior notice)

A Healthy Man Is A Strong Man

Men over 50 years can be prone to developing chronic diseases if not addressed in a timely manner. Preventive screening can help you identify and treat any issues at an early stage.

The Aga Khan University Hospital offers a screening package that provides you with an accurate assessment of your health status.

The screening package includes the following:

- | | |
|---|--|
| 1) Check-Up By A Consultant Family Physician | 4) Liver Function Test |
| 2) Complete Blood Count, Erythrocyte Sedimentation Rate with Platelets (CBC With ESR) | 5) Lipid Profile |
