GLENN SHUNT SURGERY

To provide high quality health care facilities at affordable price to a maximum number of patients, The Aga Khan University Hospital (AKUH) offers “package price” for Glenn Shunt Surgery. AKUH offers a total care program in which the patient is cared by a professional team of Surgeon, Nurses, Radiologists and other Technical Support Staff.

Glenn Shunt Surgery Package Price enables patient’s family to know beforehand the cost of treatment and be in control of the cost of care. After examination, the surgeon will determine the eligibility for the package, which is as under:

Category	Ward	Semi Private	Private	VIP
GS Package (5 days)	590,000	687,000	800,500	871,000

Charges Included in the Package Price:

- Room and nursing for patient
- Attending surgeon’s visits
- Surgeon & Anaesthetist’s fee
- Operating/recovery room charges
- Physiological Measurement Services
- Routine Laboratory, Radiology, Pharmacy & Medical /Surgical supplies
- Routine patient meals
- One visit of Physiotherapy

Charges NOT Included in the Package Price:

- Special consultation during hospitalization other than the primary surgeon
- Additional meals on request, convenience items, telephone calls, attendant room etc.
- Diagnostic tests (Lab, radiology, cardiopulmonary etc.), pharmacy and clinic consultations prior to or after admission
- Any other procedure done in Cath Lab and more than one physiotherapy if required
- Blood will be provided from AKUH Blood Bank on an exchange basis
- Take home medication

Note:

- Itemized billing details are not issued for package offer.
- In case of any additional procedure(s), or stay beyond five days, package will not be applicable and actual cost of treatment will be charged.
- In case of change of accommodation request, package charges will be revised accordingly.
- During the ICU/SCU stay, the patient’s private room if utilized by the attendant will be charged separately.
