

**Heat Stroke** Price

S.Bicarbonate, Blood Urea Nitrogen, S.Chloride, CPK, Creatinine, C-Reactive Protein, Glucose Random, S.Potassium, S. Sodium, Prothombin Time, Plasma, SGPT(ALT), TROPONIN-I, LDH

20,050 | 16,040

**Post Covid** Price

B12, CBC ESR, C-Reactive Protein, Serum Electrolytes, Free Thyroxine, Liver Profile (LFT), Thyroid Stimulating Hormo, Urine Detail Reports, 25-Hydroxy Vitamin D

27,200 | 21,760

**Specialized Post Covid Package** Price

Anti-Cardiolipin IGG, Anti-Cardiolipin IGM, Antibody to Cyclic Citrulinated Peptide, Ana Group Test, CPK, D-Dimer, Fibrinogen Level NT-Pro BNP II, TROPONIN-I, Q.R A Test

45,350 | 36,280

**Vitamin D Deficiency Evaluation** Price

Serum Calcium, Serum Phosphorous, Serum iPTH, 25-Hydroxy Vitamin D

13,050 | 10,440

**Osteoporosis** Price

Serum Calcium, Serum Albumin, Serum Total Calcium, Serum Phosphorous, Serum, Parathormones, 25-Hydroxy Vitamin D, Serum Bone Alkaline Phosphatase

20,400 | 16,320

**Fertilizer Industry Health Screening Package** Price

Complete Blood Count, Creatinine, SGPT(ALT)

3,100 | 2,480

**Food Industry Health Screening Package** Price

BLCS, HAVABM, HBSAG, HCV

15,300 | 12,240

**Infertility Screening Package for Men** Price

Free Androgen Index (includes testosterone and sex hormone binding globulin representing free testosterone), Follicle Stimulating Hormone (FSH), Luteinizing Hormone (LH), CTNG Xpert for Chlamydia and Gonorrhoea, Prolactin, Semen analysis

38,250 | 30,600

**Infertility Screening Package for Women** Price

Serum Thyroid Stimulating Hormone (TSH), Serum Estradiol, Free Androgen Index, Serum Follicle Stimulating Hormone (FSH), Serum Fasting Insulin, Luteinizing Hormone (LH), Serum Progesterone, Serum Prolactin, CTNG Xpert for Chlamydia and Gonorrhoea

51,250 | 41,000

**Acute Fever Test Package** Price

Complete Blood Count with Peripheral Film, Blood Culture, Dengue NS1 Antigen, Chikungunya Antibody (CHIK IgM), Malaria Antigen (MP-ICT)

18,400 | 14,720

**Wellness Health Screening Package** Price

Complete Blood Count with Erythrocyte Sedimentation Rate (CBC-ESR), LDL Cholesterol, Creatinine, HbA1C, Liver Function Test, TSH, Urine DR, Vitamin D

19,200 | 15,360

**TB Screening Package** Price

**Diagnostic and Co-infection Screen Test for TB patients:** AFB Smear and Culture, GeneXpert MTB/RIF, HIV Test

17,750 | 14,200

**Pre-treatment Package for TB patients:** ALT (SGPT), Complete Blood Count (CBC), Creatinine, HbA1C, Pregnancy Test, Serum Potassium

7,600 | 6,080

Health Screening Package	Price
--------------------------	-------

CBC, Urine D/R, Stool D/R (SDRC), Fasting Glucose, Fasting Cholesterol, Serum Creatinine, Liver Function Test	8,650	<del>8,650</del> 6,920 <small>without Stool D/R 5,880</small>
---------------------------------------------------------------------------------------------------------------	-------	---------------------------------------------------------------------

Extended Health Screening Package	Price
-----------------------------------	-------

CBC, Urine D/R, Stool D/R (SDRC), Fasting Glucose, Serum Creatinine, Liver Function Test, Lipid Profile, Hepatitis B Surface Antigen, Anti HCV	17,650	<del>17,650</del> 14,120 <small>without Stool D/R 13,080</small>
------------------------------------------------------------------------------------------------------------------------------------------------	--------	------------------------------------------------------------------------

Cardiac Risk Package	Price
----------------------	-------

Fasting Glucose, HsCRP, Lipid Profile, Homocysteine	12,300	9,840
-----------------------------------------------------	--------	-------

Iron Profile	Price
--------------	-------

Serum Iron, TIBC, Serum Ferritin	6,750	5,400
----------------------------------	-------	-------

Renal Function Test Package	Price
-----------------------------	-------

<b>Electrolytes Tests</b> (Serum Sodium, Serum Chloride, Serum Potassium, Serum Bicarbonate) Blood Urea Nitrogen, Serum Creatinine, Urine D/R, Anion Gap (calculated value)	7,250	5,800
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------	-------

Extended Renal Function Tests	Price
-------------------------------	-------

<b>Electrolytes Tests</b> (Serum Sodium, Serum Chloride, Serum Potassium, Serum Bicarbonate) Blood Urea Nitrogen, Urine D/R, Anion Gap (calculated value), Serum Calcium, Serum Phosphorous, Serum Uric Acid, Albumin / Creatinine, Ratio Per 24 hours, Micro Albumin Urine, Creatinine Clearance (ml/min), Serum Parathroid Hormone	20,450	16,360
-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------	--------

Hemolytic Panel	Price
-----------------	-------

Reticulocyte Count, LDH, Direct Coombs Test	3,700	2,960
---------------------------------------------	-------	-------

Bone Health Screening Package	Price
-------------------------------	-------

Calcium, Albumin, Corrected Total Calcium (calculated value), Phosphorus, Creatinine, ALP, Magnesium, PTH, 25 OH VIT D	21,650	17,320
------------------------------------------------------------------------------------------------------------------------	--------	--------

Hepatitis Screening Package	Price
-----------------------------	-------

SGPT (ALT), Hepatitis B Surface Antigen, Hepatitis B Surface Antibody, Anti HCV	10,150	8,120
---------------------------------------------------------------------------------	--------	-------

ALG-Environment Package	Price
-------------------------	-------

Allergy-cat-d-epi, Allergy-cockroach, Allergy-d-farinae, Allergy-dog-epi, Allergy-fumigatu, Allergy-p.notalu, Allergy-thistle, Allergy-d-ptero	15,350	13,100
------------------------------------------------------------------------------------------------------------------------------------------------	--------	--------

Allergen-Food	Price
---------------	-------

Allergy-eggwhite, Allergy-soyabean, Allergy-beef, Allergy-milk, Allergy-peanut, Allergy-shrimp	11,650	10,600
------------------------------------------------------------------------------------------------	--------	--------

Antenatal Package	Price
-------------------	-------

CBC, Urine D/R, Rscreen, HBSAG, HCV, RUBIGG, RUBIGM, Anti-TPO	20,950	17,040
---------------------------------------------------------------	--------	--------

Disseminated Intravascular Coagulation Profile	Price
------------------------------------------------	-------

Prothrombin Time, APTT, Fibrinogen Level, D-Dimer, Fibrinogen Degradation Product, Complete Blood Count	21,050	16,840
---------------------------------------------------------------------------------------------------------	--------	--------

Polycystic Ovarian Syndrome Package	Price
-------------------------------------	-------

Fasting Glucose, Fasting Insulin, Luteinizing Hormone, Free Androgen Index, Lipid Profile, Follicle Stimulating Hormone	25,250	20,200
-------------------------------------------------------------------------------------------------------------------------	--------	--------

Vitamin B12 / Folate Package	Price
------------------------------	-------

Vitamin B12, RBC Folate	7,850	6,280
-------------------------	-------	-------

Metabolic Screening Test Panel	Price
--------------------------------	-------

Complete Blood Count, Urine Detail Report, Blood Glucose Plasma Ammonia, Plasma Lactic Acid, Arterial Blood Gases Electrolyte	15,350	12,280
-------------------------------------------------------------------------------------------------------------------------------	--------	--------

Paired CSF / Plasma Amino Acid Test Panel	Price
-------------------------------------------	-------

CSF Amino Acid, Plasma Amino Acid	20,500	16,400
-----------------------------------	--------	--------

Vitamin B12 Deficiency Package	Price
--------------------------------	-------

Complete Blood Count, Intrinsic Factor Antibodies, Serum Vitamin B12 Levels, Red Blood Cells Folate Levels	27,600	22,080
------------------------------------------------------------------------------------------------------------	--------	--------

Von Willebrand Disease Profile for Diagnosis of Von Willebrand Disease	Price
------------------------------------------------------------------------	-------

APTT, Factor VIII, Von Willebrand Ag Factor, Ristocetin Cofactor	18,800	15,040
------------------------------------------------------------------	--------	--------

Antiphospholipid Antibody Syndrome Profile for Recent Pregnancy Loss and Thrombosis	Price
-------------------------------------------------------------------------------------	-------

ACA- IGG, ACA-IGM, Lupus Anticoagulant, B2GPIGG, B2GPIGM	29,950	26,350
----------------------------------------------------------	--------	--------

Inherited Thrombophilia Profile for Diagnosis of Thrombotic Disorders in Young Patients	Price
-----------------------------------------------------------------------------------------	-------

Protein-S, Protein-C, Antithrombin III, Factor V Leiden	34,600	27,680
---------------------------------------------------------	--------	--------

Coagulation / Bleeding Profile For Diagnosis of Bleeding Disorder	Price
-------------------------------------------------------------------	-------

Prothrombin Time, APTT, Factor XIII, Bleeding Time Complete Blood Count	10,800	8,640
-------------------------------------------------------------------------	--------	-------

Chikungunya, Malaria and Dengue Screening Package	Price
---------------------------------------------------	-------

Chikungunya IgM Antibody, Dengue IgM Antibody, Malaria parasite (MP)	11,450	10,300
----------------------------------------------------------------------	--------	--------

Inherited Metabolic Test Panel	Price
--------------------------------	-------

Urine Organic Acid, Plasma Amino Acid	18,250	14,600
---------------------------------------	--------	--------

Kidney Screening	Price
------------------	-------

Albumin Creatinine Ratio (ACR), Creatinine	3,700	2,960
--------------------------------------------	-------	-------

Covid Biomarker	Price
-----------------	-------

CBC, CRProtein, DID, FER, LDH	12,750	10,200
-------------------------------	--------	--------
